ASG LAUNCHES FORMALIZED RECRUITMENT

Following last week's in-Senate elections, ASG will continue launch its formalized recruitment this week with appointed position information sessions. These sessions will profile the positions of ASG Technology Director (with Jonathan Koenig on Tuesday April 7th from 7-7:30pm in the 103 Chicago Room, Norris), ASG External Relations Director (with Samir Pendse and Jilian Lopez on Thursday April 9th from 7-7:30pm in Annenberg G32), and ASG Public Relations Director (with Kelsey Kenady on Thursday April 9th from 8-8:30 in Annenberg G32).

These information sessions will provide prospective ASG executive board members with insight from the outgoing position chairs on what each job entails.

In addition to the appointed position information sessions, ASG plans to recruit new members by holding committee information sections for those who simply wish to become a general member of an ASG committee. These info sessions are currently being planned for the week of April 20th. As of now, the Academic and Student Services committees will be presenting on Monday April 20th, the External Relations and Operations committees will be presenting on Tuesday April 21st, and the Technology and Public Relations committees will be presenting on Thursday April 22nd. Finalized times and locations for each of the committee info sessions will be posted on NULink shortly.

Aaron Jacobowitz, a member of ASG's Operations committee who has assisted in planning the formalized recruitment, stated "We are extremely excited about ASG recruitment this year. As far as we are aware, there has never been a formalized effort to incorporate new talent and ideas into the ASG general body. Through this year's efforts, ASG hopes to appeal to an even greater segment of the Northwestern population. A formalized recruitment opens countless avenues for ASG's betterment."

Committee applications will be due on Saturday May 2nd at noon and interviews will be conducted from May 3rd through May 9th. The committee heads and members will be appointed and notified by Saturday May 9th. Committee selection will mark the end of ASG recruitment for the year; recruitment will reopen in the fall for Fall ASG Recruitment.
